

Writing Measurable Postsecondary Goals

SPP Indicator 13 Item #1: Is there an appropriate measurable postsecondary goal or goals in this area?

- Can the goal(s) be counted?
- Will the goal(s) occur after the student graduates from school?

- Based on information available about this student, does (do) the postsecondary goal(s) seem appropriate for this student?

Formula for writing a postsecondary goal:

_____ will _____.

(After high school/ After graduation/
Upon completion of high school) (name of student) (behavior) (where or how?)

Employment:

Education or Training:

Independent Living (if appropriate):
