- All of our field trips counted as instruction time are educational trips supervised by certificated personnel and attendance is taken. Regular instruction is provided for those pupils who do not participate in an educational trip and attendance is taken.
- Certified personnel supervise all recess periods counted as instructional time.
- A certified copy of each pupil's birth certificate has either been reviewed by district personnel or a copy has been filed in their enrollment file. Exceptions to this are indicated below.
- We are in the process of obtaining legal name and birthdate documentation for the following new enrollees who were counted in membership.

INSTRUCTIONS: Complete the following information to document follow-up conducted for pupils not presenting birth certificates at time of enrollment.
